Dear Spiros and Erasmus Team,

We would like to extend our sincere gratitude for your services and assistance throughout the planning phase and during the onsite operation for the BMS Year End Meeting which took place in Athens on January 14-18th, 2018.

Since the initial proposal everything was very well put, thoroughly explained and all questions were responded in a timely and kindly manner. Furthermore, thank you for your positive, helpful and problem solving attitude. With your assistance our client was happy and BMS Year End Meeting was a success.

We look forward to our future collaboration.

With best regards,

Ayşe Askin Erten
